AMENDMENT UNDER 37 C.F.R. §1.111

Sir:

In response to the Office Action mailed June 4, 2003, please amend the application as follows.

Amendments to the Specification:

Due to the significant editing required to correct largely spelling and grammatical errors, a substitute specification is provided beginning on page 2 of this paper. A photocopy of the specification as originally filed is attached hereto, and the amendments incorporated into the substitute specification are shown by ink interlineations. Applicant requests acceptance of the substitute specification in the file. If any fees are required for entry of the substitute specification, the Commissioner is authorized to charge attorney's deposit account 50-2041 (Whitham, Curtis & Christofferson).

Amendments to the Claims:

Amendments to the claims are indicated by the notation "currently amended" in the listing of the claims beginning on page 10 of this paper. Original claims that have not been amended are designated as "original".

Remarks: The "REMARKS" section begins on page 13 of this paper.
